Standard Operating Procedure (SOP) for Conducting PhD Course

Following steps shall be followed:

- Step 1. Admission through Entrance Examination and successive Interview (PhD Regulation 2016 and its subsequent amendments along with PhD ordinance 2018 of this University will be followed).
- Step 2. Pre PhD Course work of 01 year duration will be conducted at Faculty/Department level in which the candidate has to pass. During this period the candidate will fill up the Format for Supervisor Allotment. (Annexure-01)
- Step 3. Allotment of Supervisor and research topic by the DRC! DRC will send the recommendations to the RDC for the approval regarding supervisor and title of the research topic. After due approval of RDC, concerned office-order will be issued.
- Step 4. Continuation and Monitoring of Research Work: 02 Progress reports per Academic session (in the format of Annexure 02) will be submitted by the Research Scholar duly signed by the Supervisor and forwarded by the Head of Department and at least four progress reports during the course of 02 years and subsequent extension period after the completion of pre-PhD course work. Minor modification/change in the title of the research topic will be considered only once on the recommendation of Supervisor based on emerging outcomes
- Step 5. Recommendation of DRC for the PSV presentation: After the due examination of the progress reports of the candidate and the volume of research work, the DRC will recommend for PSV presentation of the candidate and will send its recommendation to the RDC for the approval.
- Step 6. Conduction of PSV presentation: On the basis of the recommendation of DRC, the PSV presentation open to all interested in the subject will be conducted on the same day to expedite the process and a PSV report (in the format of -Annexure 03) will be sent to the RDC for seeking its approval for the submission of the thesis.
- Step 7. Submission of thesis in Research Cell: On the basis of the permission of RDC, the thesis in the prescribed formant with the checklist (Annexure 04) will be submitted for the evaluation. A certificate of the thesis submission will be issued to the candidate.
- Step 8. Appointment of External Examiners by the honorable Vice Chancellor (Confidential): 02 External Examiners in which at least one will be belonging from the out of State/Province will be duly appointed by the honorable Vice Chancellor for the evaluation of the thesis. Supervisor will be the internal examiner.
- Step 9. Evaluation Process (Confidential)
- Step 10. Notice for Viva-Voce Examination: Having received the positive reports after the completion of evaluation process, any one of the external examiners who have evaluated the thesis will be nominated by the honorable Vice Chancellor for conducting the viva-voce examination of the candidate. After getting the consent of the nominated External Examiner, a notice will be issued by the Registrar.
- Step 11. Conduction of Viva-Voce Examination: Viva-voce examination will be opened for all interested in the subject. Viva-Voce Examination's Report will be signed by Supervisor and External Examiner both and will be forwarded by HOLY Convener of DRC to the RDC which will be processed through the candidate's file for onward action.
- Step 12. Report of RDC (by Circulation) for the declaration of result and Notification: After completing the due process of approval from the honorable Vice Chancellor, the notification will be issued by the Registrar. The candidate may apply for the provisional degree certificate after this notification.
- Step 13. Uploading of thesis on Shodhganga portal of UGC under the monitoring the Research Cell.
