- 2.5 “Foreign Educational Institution” means—(i) an institution duly established or incorporated in its home country and offering educational programmes at the undergraduate, postgraduate and higher levels in its home country and (ii) which offers programme (s) of study leading to the award of a degree through conventional face-to-face mode, but excluding distance, online, ODL mode.
- 2.6 “Grade Point” means a numerical weight allotted to each letter grade on a 10-point scale.
- 2.7 “Guide/Research Supervisor” means a faculty member recognized by University to supervise the Ph.D. scholar for his/ her research.
- 2.8 “Interdisciplinary Research” means research conducted by a Ph.D. Scholar in two or more academic disciplines.
- 2.9 “Open and Distance Learning Mode” shall have the same meaning as defined under the UGC (Open and Distance Learning programmes and online programmes) Regulations, 2020.
- 2.10 “Online Mode” shall have the same meaning as defined under the UGC (Open and Distance Learning programmes and Online programmes) Regulations, 2020.
- 2.11 “Plagiarism” means the practice of taking someone else’s work or idea and passing them as one’s own.
- 2.12 “Research Proposal” or “Synopsis” means a brief write-up giving an outline of the proposed research work which the Ph.D. scholar shall submit along with the application for registration in Ph.D. programme.
- 2.13 “Registration” means allotment of an enrollment number to the duly selected candidate for admission in Ph.D. programme after paying the total stipulated fee for the programme to the University. “De-registration” means discontinuing the full-time Ph.D. programme for a certain period of time paying the retention fee for retaining the enrollment to the University.
- 2.14 “Re-registration” means further continuing the full-time Ph.D. programme after paying the stipulated fee for re-registration along with the fee prescribed for Ph.D. programme to the University.

3. Eligibility Criteria for admission to the Ph.D. Programme

- 3.1 A 1-year / 2-semester master's degree programme after a 4- year/8-semester bachelor’s degree programme or a 2-year / 4- semester master’s degree programme after a 3-year bachelor’s degree programme or qualifications declared equivalent to the master’s degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed.

OR

Equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution.

A relaxation of 5% marks or its equivalent grade would be allowed for those belonging to SC/ ST/ OBC (non-creamy layer)/ Differently-Abled/ Economically Weaker Section (EWS).

- 3.2 Provided that a candidate seeking admission after a 4-year/ 8- semester bachelor's degree programme should have a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/differently-abled/ Economically Weaker Section (EWS).
- 3.3 Candidates who have completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions, shall be eligible for admission to the Ph.D. programme. A relaxation of 5% marks or its equivalent grade would be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled/ Economically Weaker Section (EWS).

4. Duration of the Programme

- 4.1 Ph.D. programme shall be for a minimum duration of 03 (three) years, including course work, and a maximum duration of 06 (six) years from the date of admission to the Ph.D. programme. Date of admission would be reckoned with effect from the date of first Fee Receipt.
- 4.2 Course work shall be completed in first two semesters from the date of registration in the Ph. D. programme. The Ph.D. programmes being governed by other regulatory bodies shall follow the duration mentioned in their concerned regulation.
- 4.3 Residential requirements, including the duration of coursework, shall be 03 (three) continuous years without break. During residency period, the scholar is expected to be present full-time on all working days in the department/ location identified by the supervisor for conducting Ph.D. related work. After three years, the candidate if fulfills the requirements may be allowed adopting due procedure stipulated in this Regulation to submit his/her Ph.D. thesis for evaluation.
- 4.4 A maximum of an additional 02 (two) years beyond 06 years may be given to the candidate through the process of re-registration in special cases only where DRC recommends on cogent grounds and approval is granted by the Vice Chancellor. However, the total period for completion of a Ph.D. programme and submitting the thesis should not exceed 08 (eight) years from the date of registration to the Ph.D. programme. For this, the application for the same shall be submitted by the candidate at least 01 month before the date of completion of the maximum period (06 years) giving the reasons due to which he/she was not able to complete his/her research work and submit the thesis. The candidates' application in this regard should be duly forwarded by the Supervisor and recommended by Departmental Research Committee (herein after referred to as DRC).
Provided further that, Female and Divyang (person with disability more than 40%) may be allowed an additional relaxation of 02 (two) years beyond 08 years if DRC recommends on justified grounds and approval is granted by the Vice Chancellor.

However, the total period for completion of a Ph.D. programme and submitting the thesis in such cases should not exceed 10 (ten) years from the date of registration to the Ph.D. programme. For this, the application for the same shall be submitted by the candidate at least 01 month before the date of completion of the extended period of 08 years giving the justifications due to which he/she was not able to complete his/her research work and submit the thesis. The candidates' application in this regard should be duly forwarded by the Supervisor to the DRC.

- 4.5 However in case the candidate gets a regular job in any Organization (government/ autonomous body/ local body/ PSU/ private sector) after 02 (two) years from the date of admission in Ph.D. programme, then at this stage the candidate may **temporarily de-register** himself/ herself with due recommendation of DRC and subsequent approval of Vice Chancellor. The minimum residency for de-registration shall be 02 (two) years from the date of admission. In such cases, the candidate has to pay retention fee that should be the same fee prescribed for Ph.D. programme. If, candidate fails to pay the retention fee within stipulated period of time, he/she shall be governed by the applicable University norms (Clause 6 of this Regulation). In this situation, the seat of such Ph.D. scholar shall be retained under the concerned supervisor and he/she shall be considered on roll with the same supervisor. After re-registration, the candidate would be required to complete minimum residency period if not completed earlier.

A candidate may re-register up to (01) one year before the maximum stipulated time of his/ her Ph.D. duration. In this case also, the maximum period will be 06 years as prescribed under clause 4.1 of this regulation and the extension beyond 06 years as stipulated under clause 4.4 of this regulation can only be given if the candidate has re-registered himself/her-self. Re-registration request should be routed through proper channel to DRC.

In case, the candidate wants to join the job even after completing the minimum residency period and not submitted the thesis, he/she has to temporarily de-register himself/herself. He/she has to re-register to submit the thesis. The requirements for the re-registration shall be as follows:

- i. The candidate should get relieving/ leave from his/her employer till the submission of the Thesis.
 - ii. Retention fee that should be the same fee prescribed for Ph.D. programme should be paid regularly till the date of re-registration.
 - iii. The candidate should have RAC & DRC approved satisfactory six monthly progress-report till the date of de-registration.
 - iv. The re-registration fee stipulated by the University from time to time has to be paid by the candidate.
- 4.6 Female Ph.D. scholars may be provided Maternity Leave/Child Care Leave for up to a maximum of 240 days in the entire duration of the Ph.D. programme.
- 4.7 A registered research scholar cannot pursue two full time/ regular (Online/ Offline) academic degree programmes during the duration of his/her Ph.D. programme.

- 6.5 Fee payable for Ph.D. programme shall be decided by the University from time to time.

7. Allocation of Research Supervisor:

Eligibility criteria to be a Research Supervisor, Co-Supervisor, Number of Ph.D. scholars permissible per supervisor etc.

- 7.1. Permanent faculty members working as Professor/Associate Professor of the University with a Ph.D., and at least five (05) research publications in UGC- CARE/ Scopus/ Web of Science/ SCI/ SSCI indexed journals and permanent faculty members working as Assistant Professor in the University with a Ph.D. and at least three (03) research publications in UGC-CARE/ Scopus/ Web of Science/ SCI/ SSCI/ indexed journals may be recognized as a Research Supervisor in Dr. Shakuntala Misra National Rehabilitation University Lucknow. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only be co-supervisors. In addition to this, any provision given by UGC for supervision of research scholar shall also be applicable. The Vice Chancellor of the University may also supervise Ph.D. scholar following the provision of this Regulation. The details of the faculty members to be recognized as supervisor shall be submitted before the DRC in the prescribed Format-**Appendix-A**.
- 7.2 An eligible Professor/ Associate Professor/ Assistant Professor can guide up to eight (08)/ six (06) / four (04) Ph.D. scholars respectively at any given time. However, each supervisor can guide up to two (02) international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars.
- 7.3 A supervisor shall not be allowed to supervise a candidate who is his/her relative whether by blood, adoption or by marriage. In this Regulation “relative” means the relations provided in Section 20 of U.P. state University Act 1973 which is quoted as under:
“Explanation - In this section ‘relative’ means the relations defined in Section 6 of the Company Act 1956 and includes the wife’s (or husband’s) brother, wife’s (or husband’s) father, wife’s (or husband’s) sister, brother’s son and brother’s daughter”.
- 7.4 If the supervisor of a candidate proceeds on long leave for a period of more than 12 months, or he/she proceeds on leave for a period of less than 12 months but later extends it beyond 12 months, then prior to proceeding on leave beyond six months the supervisor must recommend/ propose the name of authorized signatory/ Co- supervisor to the DRC with the consent of research scholar. If a supervisor is on leave for more than 02 years then he cannot continue as supervisor.

7.5 If the supervisor of the candidate passes away or is terminated from the University service or shifted to other institution, he/she shall cease to be the supervisor.

7.6 In all the cases where the existing supervisor of a candidate ceases to be the supervisor and if there is no co-supervisor for the concerned candidate/ or if the co-supervisor is from a different discipline, then the DRC shall appoint a new supervisor from amongst the faculty members with the consent of scholar. This seat may be allotted beyond the maximum no. of seats permissible.

In the case where only one faculty member as a supervisor is available in any Department and if he/she ceases to be the supervisor due to any reason, then the subject-expert member of RAC of the candidate/or faculty member of the allied subject/discipline may be permitted to act as supervisor provided that he/she should be a permanent faculty member of this University, on the recommendation of DRC and approval of the Vice Chancellor.

7.7 Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars for Ph.D. under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered under their supervision until superannuation and as a co supervisor after superannuation, but not after attaining the age of 70 years.

7.8 In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the Higher Educational Institution to which the scholar intends to relocate, provided all the other conditions in this Regulation are followed, and the research work does not pertain to a project sanctioned to the parent Institution/ Supervisor by any funding agency. Such scholar shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken.

7.9 Adjunct Faculty shall not act as a research supervisor and can only act as a co-supervisor.

7.10 Co-Supervisor/Joint Supervisor/Administrative Supervisor

7.10.1 In case of interdisciplinary/multidisciplinary research work, if required, a co-supervisor from within or outside the Department/ Faculty/ Centre/ University may be appointed.

7.10.2 Co-supervisors from within the same department or other departments of the same institution or other institutions may be permitted by the DRC on the duly justified recommendation of the supervisor & RAC of the student within one & half year (03 semester) from the date of registration in the Ph.D. programme. The seat of supervisor will be treated as 01 (one) seat and co-supervisor will be treated as ½ (half) seat while counting of the seats under his/ her supervision. There shall also be a provision to appoint Co-Supervisor from those foreign Universities and institutions which have signed MoUs with Dr. Shakuntala Misra National Rehabilitation University, Lucknow and have research collaboration with the University before the approval of the topic in the DRC.

7.10.3 In Ph.D. programme, there should not be more than two co-supervisors. When there is more than one co-supervisor, it should be counted ½ seat for each of the co-supervisors.

7.10.4 The eligibility of Co-Supervisor would be same as that of Supervisor. The Co-

Supervisor shall submit NOC issued by the Head of Institute/ Centre/ Department for co-supervising the thesis.

- 7.10.5 In case of joint Ph.D. registration where Ph.D. degree shall be provided jointly from two institutions under MoU, the first supervisor shall be from the institution where the candidate has taken the admission. Supervisor from other institution will be termed as “Joint Supervisor”.
- 7.10.6 In case the candidate has successfully defended pre-Ph.D. seminar of his/her thesis as per the Regulation of the University and thereafter the supervisor proceeds on long leave or is absent from the University, the DRC of the department may appoint the Head of the Department as “Administrative Supervisor” for completing the rest of the formalities. However, the existing supervisor shall continue to be considered as supervisor. The name of the Administrative Supervisor will not be displayed in the thesis as supervisor and the number will not be counted in the supervision. In this case, wherever in the thesis/or regarding the thesis, the certificate/format will be required to be signed by the supervisor, the Administrative Supervisor shall sign as the Head of Department for completing the formalities.
- 7.11 Change of Supervisor shall normally be not allowed. If special circumstances arise due to inevitable reasons, then DRC may consider the case and recommend the change of Supervisor which shall be sent to the Academic Council for approval.
- 7.12 If a scholar has submitted his/her Ph.D. thesis, it will be presumed that a vacancy has been created and the concerned faculty member may be allowed to take another Ph.D. scholar for supervision in lieu of such vacancy.
- 7.13 In case the vacant seats in the department are being summed up and resulting in a fractional number while declaration of vacant seats, in all such cases lower round-off number shall be considered.

7.14 Process of allotment of Research Supervisor

- 7.14.1 The University shall maintain a list of Ph.D. supervisors (specifying the name of the supervisor, his or her designation, and the department/ faculty/ center), along with the details of Ph.D. scholars (specifying the name of the registered Ph.D. scholar, the topic of his/ her research and the date of admission) admitted under them on the website of the University and update this list every academic year.
- 7.14.2 When selected research scholar shall submit his/her admission-fee/ registration-fee, then he/she shall be provided an opportunity to put his/her choice for supervisor and vice-versa for which a Research Supervisor Allotment Form -**Appendix-B** shall be provided to the candidate and he/she shall submit it to the department within stipulated time. Thereafter, considering the preference of choice and number of vacancy available under the supervisor, DRC shall appoint the supervisor.

8. Course Work-

- **Credit requirements, number, duration, syllabus, minimum standards for completion, etc.**

- 8.1 The Credit requirement for the Ph.D. coursework is a minimum of 12 credits, including a “Research and Publication Ethics” course as notified by UGC vide D.O. No. F.1- 1/2018(Journal/CARE) in 2019 and a course on Research Methodology,

except for the candidates with 4-year/8-semester Bachelor's degree programme. If, the candidates with a 4-year/8-semester Bachelor's degree programme having a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed, are admitted to Ph.D. programme then, they should complete additional courses of 12 credits as per the recommendation of RAC and approval of DRC.

8.2 The Research Advisory Committee can also recommend UGC-recognized online courses as part of the credit requirements for the Ph.D. programme and it may be approved by the DRC.

8.3 The minimum credit assigned to the Ph.D. course work shall be 12 credits except for the candidates with 4-year/8-semester Bachelor's degree programme, as mentioned in given table.

S. No.	Course code	Paper Title	Credit
1	DPH 101	Research Methodology	04
2	DPH 102	Elective-1 (Subject)	03
3	DPH 103	Elective-2 (Subject)	03
4	DPH 104	Research Publication and Ethics	02
Total credits			12

8.4 The candidate admitted with a 4-year/8-semester Bachelor's degree programme having a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed, 12 additional credits i.e. total = 24 credits should be completed in initial two semesters.

Selection of elective course of 12 additional credits may be 4 courses of 3 credit each / or 3 courses of 4 credit each and shall be specified by the concerned DRC. During course work, the elective courses may be opted through MOOCS recognized by UGC. Literature review will not be counted as an elective course. - II. Department Research Committee (DRC)
- III. Research Degree Committee of the University (RDCU)

10.1 Research Advisory Committee (RAC)

10.1.1 There shall be a Research Advisory Committee for each Ph.D. scholar to be constituted immediately after the admission. The Research Supervisor of the Ph.D. scholar concerned shall be the Convener of this committee, and there will be two members working in a similar/ allied/ connected field, one from the DRC of the Department and another shall be recommended by the Supervisor. Co-Supervisor may also be added to RAC as per requirement. Hence, RAC shall consist of the following:

- I. Supervisor of the concerned Ph.D. scholar- Convener
- II. Co-Supervisor (if any) of the concerned Ph.D. scholar- Member
- III. One DRC-Member as representative recommended by DRC- Member
- IV. One subject Expert recommended by Supervisor- Member

The name of the subject expert in RAC shall be approved by the Vice Chancellor.

Function of RAC:

- 10.1.1.1 To review the research proposal and finalize the topic of research.
- 10.1.1.2 To guide the Ph.D. scholar in developing the study design and methodology of research and identify the course (s) that he/ she may have to do.

- 10.1.1.3 To periodically review and assist in the progress of the research work of the Ph.D. scholar.
- 10.1.2 In each semester, the Ph.D. scholar shall appear before the Research Advisory Committee to make a presentation and submit a brief report on the progress of his/her work as per the format of **Appendix-C** for evaluation and further guidance. The Research Advisory Committee shall submit its recommendations along with a copy of Ph. D. scholar's progress report to the DRC. A copy of such recommendations shall also be provided to the Ph. D. scholar.
- 10.1.3 In case the progress of the Ph.D. scholar is unsatisfactory, the Research Advisory Committee shall record the grounds for the same and suggest corrective measures. If the Ph.D. scholar fails to implement these corrective measures, the Research Advisory Committee may recommend, with specific grounds, the cancellation of the registration of the Ph.D. scholar from the Ph.D. programme.

10.2 Department Research Committee (DRC)

The DRC shall consist of the following:

- I. The Head of Department- Chairperson
 - II. All Professors in the Department

 - IV. Supervisor and Co-supervisor, if any, shall attend as special invitee(s) for disposal of cases of his/her Ph.D. scholar.
 - V. One SC/ST/OBC/Divyang (differently-abled) nominee with Ph.D. degree shall be nominated by the Vice Chancellor from amongst the teachers of the University for a period of two years if there is no SC/ST/OBC/Divyang member in the committee.
- Generally, DRC shall meet at least twice a year, but special meetings may be held in case of necessity.

Functions of DRC:

- 10.2.1 To review and finalize the topic of research recommended by RAC.
- 10.2.2 To periodically review and advise on the progress of the research work of the research scholar.
- 10.2.3 A research scholar shall appear before DRC once in six months (preferably towards the end of the semester) to make a presentation of the progress of his/ her work for evaluation and further guidance. The six- monthly progress reports shall be submitted to the Department through proper channels.
- 10.2.4 In case the progress of the research scholar is observed as unsatisfactory by the DRC, the DRC shall record the ground for the same and suggest the corrective measures.
- 10.2.5 If the research scholar fails to implement those corrective measures, the DRC may recommend cancellation of the registration of the research scholar to the research degree committee with specific reasons.
- 10.2.6 A record of the progress of work of Ph.D. scholars shall be kept by his/ her supervisor. The six monthly (Semester) progress report of the candidate shall be forwarded by the

supervisor/ co-supervisor (if any), as the case may be, to the Head of the Department on the prescribed format in triplicate. The concerned DRC shall consider and comment on the progress of reports and forward the same with specific recommendations to the Dean. The subsequent six-monthly reports shall be sent in a similar manner. The first or second six monthly reports shall indicate the specific topic of research, although not necessarily the precise title of the thesis, which can be notified in subsequent DRC.

- 10.2.7 Minor modification/change in the title of the research topic** shall be permitted only once before the submission of the thesis on the recommendation of supervisor & RAC.
- 10.2.8** Normally, there should be minimum 75 % attendance of the research scholar (Ph.D. students), based on the Attendance-Register records verified by the Supervisor. In case of field or library-based studies the requirement of attendance can be relaxed by the Head of Department on recommendation of the concerned supervisor and RAC.
- 10.2.9** In case the research scholar is working in other Institution/ University/ Centre, with his/her co-supervisor, the co-supervisor may maintain his/her attendance in that institution and inform the supervisor about it. However, such research scholars will be required to be present in the degree-awarding University i.e. Dr. Shakuntala Misra National Rehabilitation University during the period of their course work.
- 10.2.10 Registration of Ph.D. scholar shall be liable to be cancelled by the DRC at any time if:** (a) the course work is not completed in stipulated time. (b) two consecutive six-monthly (semester) progress reports are not submitted or not found satisfactory by DRC. (c) Attendance is not as per the requirements. (d) Admission may be cancelled at any time if the University finds any wrong information given by the candidate (e) if any disciplinary action is taken by competent authority.
- 10.2.11** DRC shall appointment the Supervisor/ Co-Supervisor (if any) following the due procedure stipulated under clause 7.0 of this Regulation.
- 10.2.12** The Minutes of the meeting of DRC should be approved by the Vice Chancellor routed through the Dean of Faculty and Registrar. The approved minutes shall be reported to Academic Council through Faculty-Board. Vice Chancellor may also refer the minutes to the Academic Council for its approval.
- 10.2.13** The DRC shall report to the Academic Council through Faculty Board, all its proceedings pertaining to the Ph.D. programme in the Department.

10.3 The Research Degree Committee of the University (RDCU) shall consists of the following:

The cover page and other Annexure to be included in the thesis should be as per **Appendix – E** and **Annexure – 01 to 07** respectively. The candidate should enclose the copies of 02 research papers published in UGC- CARE/ Scopus/ Web of Science/ SCI/ SSCI indexed Journals and certificate of 01 conference/seminar/symposium presentation along with plagiarism report at the end of the thesis.
- 11.10** No Ph.D. scholar shall submit any work that has been accepted or rejected for any other degree in this or any other University as his/her thesis provided that in such a case, he/ she shall indicate in his/her application that in the Preface of his/her thesis, the extent to which such a work, previously done, had been incorporated.
- 11.11** A Ph.D. scholar shall submit the thesis in prescribed format in 05 (five) copies (hard copies & soft copies) along with the Abstract of the research work in not more than 3000 words and all relevant documents maintained through his/her personal file as per **Appendix –F** for evaluation after getting No-dues from concerned section/ department along with (a) an undertaking from the Ph.D. scholar that there is no plagiarism and (b) a certificate from the Research Supervisor attesting to the originality of the thesis and that the thesis has not been submitted for the award of any other degree/diploma to any other Higher Educational Institution. A thesis submission certificate shall be issued to the candidate as per the format of **Appendix – G**.
- 11.12** The concerned research supervisor shall submit a panel of eight (08) external experts from the area concerned with the research for evaluation of the thesis to the DRC for its approval. Subsequently, the list approved by DRC shall be submitted to the Controller of Examination (CoE) office in sealed envelope. The CoE shall present the panel of Examiners to the Vice Chancellor for appointment of 02 (two) external examiner(s). Out of the two external examiners nominated by the Vice Chancellor for evaluation of Ph. D. thesis, one will be invited to conduct Viva-Voce Examination of the scholar. Vice Chancellor may also nominate name of examiners from India as well as abroad, other than the list of examiners approved by DRC.
- 11.13** Following are the criteria for recommending the external examiner(s) for the submission of the panel of examiners to evaluate the thesis.
- (a) The examiner should not be below the rank/ grade of Professor or equivalent. The senior scientists from research organizations having pay scale of Professor may be permitted to be an examiner. The examiner should be preferably from Central/ State Universities/ IITs/ NITs/ IISC/ CSIR/ ICAR/IISER/ Institution of National Importance/ Institute of Eminence.
 - (b) Examiner who has been appointed for thesis evaluation will not be repeated for one year.
 - (c) More than one examiner should not be from the same University/ Institution/ Organization etc.
 - (d) The panel of recommended external examiners should contain the correct designation, name of affiliating institution with complete postal and email address with telephone/ mobile numbers for the speedy evaluation of the thesis.
 - (e) The CoE shall get in touch with each examiner and send the offer letter of examiner-ship along with a copy of the abstract of the thesis for acceptance.
- 11.14** The Ph.D. thesis submitted by a Ph.D. scholar shall be evaluated by his/her research

supervisor and two external examiners nominated by the Vice-Chancellor who are experts in the field and not in employment of this University. Such examiner(s) should be academicians having a good record of scholarly publications in the field. Wherever possible, one of the external examiners may be chosen from an organization located outside India.

11.15 The examiner shall ordinarily be required to accept the appointment offered by the University within two weeks (15 days) from the issue of the letter. A reminder may be sent through email by the CoE after two weeks (15 days) from the issue of the offer letter of examiner-ship. In case no response is received up to the next 15 days from the issue of the reminder letter i.e. in case of non-receipt of any information from an examiner within one month time from the date of issue of the letter of appointment, his/her appointment shall stand cancelled and another examiner shall be appointed.

11.16 After evaluation of the thesis, the examiner (s) may recommend any one of the following:

- (a) The thesis be accepted for the award of the Ph.D. degree
- (b) The thesis be accepted for the award of the Ph.D. degree after the clarifications on the list of points attached herewith. After the submission of the clarifications, the thesis need not be referred back to me.
- (c) The thesis be accepted for the award of the Ph.D. degree after incorporation of the changes suggested attached herewith. After incorporation of the changes suggested, the thesis need not be referred back to me.
- (d) The thesis be re-submitted in a revised form after incorporation of the clarifications/suggestions attached herewith. After modification, the thesis be referred back to me for final assessment.
- (e) The thesis be rejected.

11.17 If the examiner is accepting the thesis for the award of the Ph.D. degree after incorporation of changes suggested by him/ her but does not ask for sending it back for re-examination, in this case, report(s) of the examiner(s) concerned without mentioning the name(s) shall be sent to the Ph.D. scholar through the supervisor concerned to enable the former to submit clarification through the supervisor on the points raised. The changes incorporated as per suggestion of the examiner should be verified by the RAC & DRC and the same should be communicated to the CoE.

11.18 In case one or more examiners seek clarification or recommend revision and ask for sending it back for re-examination, in this case, the report(s) of the examiner(s) concerned without mentioning the name(s) shall be sent to the Ph.D. scholar through the supervisor concerned to enable the former to submit clarification through the supervisor on the points raised or to submit the thesis in a revised form, as the case may be. The clarification shall be sent to concerned examiner(s) for perusal and if examiner(s) is satisfied, he/she will make specific recommendation for the award of the Ph.D. degree and the Controller of Examination will take suitable action(s) to get the report of the examiner(s) expeditiously. A thesis once submitted, cannot be re-submitted except when so directed by the examiners. The revised thesis must be submitted within six months after the requirement of revision is communicated.

11.19 If a report is not received from an examiner within the stipulated period of three months, the Controller of Examination shall send reminder, and if required, two more reminders, with a time gap of 15 days. If an examiner does not send a report, despite two reminders, the Controller of Examinations, after seeking the approval of Vice Chancellor shall send the thesis to another examiner.

- 11.20** In case of unsatisfactory report of two external examiners, the thesis shall be rejected. However, candidates may be permitted by DRC only once to re-register with the same or similar topic again. In such cases; the minimum period for submission of the thesis shall be three (03) semesters and the maximum period shall be six (06) semester counted from the date of re-registration in the Ph.D. programme provided that the total period i.e. maximum six semester from the date of re-registration and the period spent by the candidate before the previous date of submission of thesis counted from the date of admission in Ph.D. programme clubbed together should not exceed to the prescribed limit for the total period (08 years/10 years as the case may be) under clause 4.4 of this regulation.
- 11.21** The Viva-Voce of the Ph.D. scholar to defend the thesis shall be conducted only if both the external examiners recommend acceptance of the thesis for award of the Ph.D. degree, after incorporating suggestions/corrections, if any, suggested by them. The date and time of the viva-voce examination shall be fixed by the Supervisor in consultation with the external examiner, chairman and other members, if any.
- 11.22** The viva-voce board shall consist of Research Supervisor and one of the two external examiners nominated by the Vice-Chancellor who have evaluated the thesis. The Viva-Voce may also be conducted online. The Viva-Voce shall be open to the members of the Research Advisory Committee /DRC /faculty members/research scholars, students and shall be conducted under the presence of the Head of Department.
- 11.23** The external Examiner shall submit a comprehensive report on the Viva-voce examination of the candidate regarding his/ her performance, including the response of scholar on questions raised. The Board, conducting the open Viva-Voce shall make the final recommendation for the award of the Ph.D. degree taking into consideration the candidate's performance at the Viva- voce and the reports of the examiners.
- 11.24** If one of the external examiners recommends rejection, the University shall send the thesis to an alternate external examiner from the approved panel of examiners, and the viva-voce examination shall be held only if the alternate examiner recommends acceptance of the thesis. If the report of the alternate examiner is unsatisfactory i.e. he/she does not recommend acceptance of the thesis for award of the degree, the thesis shall be rejected. however, in this case also, the candidate may be permitted by DRC only once to avail an opportunity for re-registration as stipulated under clause 11.20 of this regulation in case of rejection of the thesis.
- 11.25** The University shall preferably complete the entire process of evaluating a Ph. D. thesis, including the declaration of the viva-voce result, within a period of six (06) months from the date of submission of the thesis.
- 11.26** The candidate shall, in case of publication of the thesis in any form, in full or in part, state on the title page that it was a thesis approved for the award of the Ph.D. degree by Dr. Shakuntala Misra National Rehabilitation University, Lucknow.

12. Admission of International students in Ph.D. Programme

- 12.1** The admission for foreign/NRI/PIO candidates shall be taken up as per University regulations prescribed for the Foreign/NRI/PIO candidates.
- 12.2** Each supervisor can supervise up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars as specified in clause 7.2 above.

- 12.3 The University may decide its selection procedure for Ph.D. admission of international students keeping in view the guidelines/ norms in this regard issued by statutory/ regulatory bodies concerned from time to time.
